

2017-18 Lunch-Time Supervision Service for Students in Grades 1 to 5

Students in Grades 1 to 5 who stay at school for lunch must be [registered in the lunch program](#). Students are charged a fee to cover the costs associated with lunch-time supervision.

Please note that microwaves and kettles are not available for student use. Preheat hot lunches at home and use thermal containers and pack appropriate utensils in your child's lunch kit.

All students using the lunch program, including occasional users, must review and sign these guidelines.

Students in the lunch program are expected to:

- Eat in their designated areas.
- Listen to their lunchroom supervisor – be respectful and show good manners.
- Stay seated while eating and ask permission to leave the eating area.
- Clean up after themselves.
- Follow school expectations for behaviour both inside and outdoors.

Students may not leave the school or schoolyard during the lunch hour. If a student has permission to eat lunch at another location, the parent/guardian must provide an email or a note to the office confirming the arrangements.

Students who do not meet behavioural expectations eat lunch in an alternate location where they will be supervised by school staff until they demonstrate they are able to return to their designated lunch area. Repeated incidents of inappropriate behaviour may result in a student being withdrawn from the lunch program in which case the parent will be responsible for making alternate lunch arrangements.

I agree to follow the above lunch time behaviour expectations.
